Salary and Payroll Management During Special Circumstances (671.1)

During the course of the school year there may be times of unexpected or extraordinary circumstances, where school closures take place. During these closures, contracted and assigned work hours may not take place but the Norwalk-Ontario-Wilton Board of Education may elect to continue to pay its employees during a closure due to unexpected or extraordinary circumstances, all staff will be paid under the original established funding sources, federal or nonfederal, as approved by the Board in the annual budget.
