

**SERIES 400 – STUDENTS**

**Student Health and Welfare – 450**

**Use of Defibrillators (453.11)**

The Norwalk-Ontario-Wilton School District has defibrillators available for emergency use in the school building. Only trained and certified personnel in using a defibrillator may use one in an emergency situation.

The School Nurse will be responsible for keeping adequate staff in-serviced and certified in the use of a defibrillator.
