Student Motor Vehicle Use (455.2)

The Norwalk-Ontario-Wilton School District provides bus transportation to all of its resident students. Students are encouraged to utilize this service regularly. Students who drive to school and park on school grounds shall be required to observe regulations. Students who park at school shall:

- Register their vehicle in the High School Office.
- Observe speed limits on school grounds.
- Park their vehicles in identified student parking zones.
- Park uniformly within designated parking spaces.
- Drive safely being aware of pedestrians on school grounds.

Failure to comply with all established regulations will result in the student no longer being able to park on school grounds.
