Student Privacy in Locker Rooms (493)

The Norwalk-Ontario-Wilton School District will observe measures intended to protect the privacy rights of individuals using school locker rooms. The following provisions outline the extent to which that protection can and will be provided:

- Locker rooms are provided for the use of physical education students, athletes and other activity groups and individuals authorized by the building principal or by School District policy. No one will be permitted to enter into the locker room or remain in the locker room to interview or seek information from an individual in the locker room at any time. Such interviews may take place outside of the locker room consistent with applicable District policies and/or school rules.
- No cameras, video recorders or other devices that can be used to record or transfer images may be used in the locker room at any time.
- No person may use a cell phone to capture, record or transfer a representation of a nude or partially nude person in the locker room or take any other photo image of a person in the locker room.

Students and staff violating this policy shall be subject to school disciplinary actions and possible legal referral, if applicable. Other persons violating this policy may be subject to penalties outlined in state law. The building principal or his/her designee shall be responsible for enforcing this policy
