

SERIES 700 – SUPPORT SERVICES

Safety Program – 720

Fire Drills (722)

Fire drills will be conducted at least once a month throughout the school year. Exceptions may be made during periods of prolonged severe weather. Teachers will be informed of the exact evacuation plan by the Building Principal. A record of the dates, times, and amount of time needed to evacuate the building will be kept in the district office of all fire evacuation drills.
