

## **NOTICE FOR BOARD DETERMINATION ON ELEMENTARY STAFFING**

Kurt Radke, President of the Norwalk-Ontario-Wilton Board of Education has directed me not to place elementary staffing on the March 16 Board Agenda, and the board will postpone any decisions on staffing until the April 15 meeting. The Board of Education wants to wait one more month on making a staffing determination due to the following reasons:

1. The renewal quote for the school district's group health plan will be submitted to the District Administrator on or about April 1.
2. The District Administrator will have another month's worth of information to update the preliminary 2020-21 budget.
3. The replacement of the retiring of the District Administrator should be near completion.
4. A full membership of the Board will not be present at the March meeting, but should be present at the April meeting.

If there are any questions, contact Dr. Kelly T. Burhop, District Administrator at (608)337-4403 or [kburhop@now.k12.wi.us](mailto:kburhop@now.k12.wi.us).
