Re: Rural Food Service Delivery

Starting Monday, March 23, the District is looking to add rural food deliveries to the free lunch and breakfast program during the school closure as mandated by Governor Evers. The Township of Sheldon has graciously volunteered to help with rural deliveries within Sheldon Township. The school will look to add rural deliveries in other areas as well. The school would deliver meals after the Village food pick-ups are completed. Therefore, rural meal drop-offs would be after 12:00 if the school is delivering, before 12:00 if you live in the Township of Sheldon. The degree in which rural deliveries will be available will be determined by the number of deliveries that have to be made.

Contact one of the following people by telephone (608)337-4420 or (608)337-4401 if you are requesting a rural delivery. Do not leave a voicemail.

**Sarah Watters, Nidia Alcantar, Alex Peterson, Rachel Pasch**

**You may also e-mail Kristi Schlafer ([kschlafer@now.k12.wi.us](mailto:kschlafer@now.k12.wi.us)) if you are interested in rural food service delivery.**
