Re: Food Service Update

Carmen Peterson, School District Nurse, has been in contact with the Monroe County Health Department. The details, including updates on the health of individuals connected to the school, were shared. The Monroe County Health Department has cleared our building and we can begin to use of our facilities here starting on Monday, March 23. I apologize, but due to privacy laws, I cannot share details about individuals with the community. Therefore, the District will provide meals as planned starting this Monday, with drop-offs from 11:00 a.m. until noon at:

- Wilton – Community Building
- Norwalk – Village Hall
- Ontario – Hall Behind the Public Library

As stated earlier, the District is looking to add rural food deliveries to the free lunch and breakfast program during the school closure as mandated by Governor Evers. The Township of Sheldon has graciously volunteered to help with rural deliveries within Sheldon Township. I also have a volunteer for rural deliveries in the Wilton/Ridgeville area. The school will look to add rural deliveries in other areas as well. Please remember, the food service deliveries are a work in progress and I am sure we will need to adjust as we get through the first week.

**E-mail Kristi Schlafer ([kschlafer@now.k12.wi.us](mailto:kschlafer@now.k12.wi.us)) if you are interested in rural food service delivery.**

You will need to give the following information:

**Parent Name:**

**Number of Children and Names of Children Needing Meals:**

**Address of the Delivery:**

Thank you for your patience as we try to move forward in offering meals to our students during this closure.
