Re: Food Service Change

I want to start off by saying “Thank You” to the NOW Kitchen Staff and all the volunteers who making the start of the food service program to families successful. On Tuesday over 280 children received breakfasts and lunches. I anticipate that number will increase. Contact Food Service Manager Kristi Schlafer (kschlafer@now.k12.wi.us) if you wish to be added to the food delivery list.

Governor Tony Evers has issues a “Safer At Home” decree. **Due to this statement, starting Monday, March 30, food service deliveries will take place on Monday, Wednesday and Friday only. The lunch and breakfast bags families are receiving will contain food for two days instead of one.** The less contact we have, the safer it is for everyone.

Thank you for your patience. The School District is doing what it can to help families during this time.
